

ENTERTAINMENT CORNER

Two brothers jointly owned a business and both were wise in worldly ways. While dying, one brother instructed his sibling to put half of their combined wealth into the grave with the casket. The brother reluctantly agreed. In time his brother died. At the graveside ceremony the living brother wrote a check for half of their assets and placed it in the casket.

A lawyer defending a man accused of burglary tried this creative defense: "My client merely inserted his arm into the window and removed a few trifling articles. His arm is not himself, and I fail to see how you can punish the whole individual for an offence committed by his limb."

"Well put," the judge replied. "Using your logic, I sentence the defendant's arm to one year's imprisonment. He can accompany it or not, as he chooses." The defendant smiled. With his lawyer's assistance he detached his artificial limb, laid it on the bench, and walked out.

Four Catholic ladies are having coffee together. The first one tells her friends, "My son is a priest. When he walks into a room, everyone calls him him 'Father'." The second Catholic woman chirps, "My son is a bishop. Whenever he walks into a room, people say, 'Your Grace'." The third Catholic woman says smugly, "My son is a cardinal. Whenever he walks into a room, people say, 'Your Eminence'." The fourth Catholic woman sips her coffee in silence. The first three women give her this subtle "Well...?" She replies, "My son is a gorgeous, 6'2", hard-bodied stripper... Whenever he walks into a room, people say, 'Oh my God...'."
